

## 2018 Candidate Survey on the Environment

### Geoff Luxenberg (Democrat)

House District 12

**1) 100% Clean Energy by 2050:**

**Do you support transitioning to 100% clean energy by 2050 or sooner?**

Yes

**2) State Water Plan:**

**Will you support the plan as submitted to the legislature and affirm that water is a public trust?**

Yes

**3) Municipal Funding Pilot for Open Space:**

**Would you support legislation that would allow, but not require, certain municipalities to establish a dedicated fund to protect local open space, farmland and water resources through a limited conveyance fee on buyers of real estate?**

Uncertain

I would like to discuss this in greater details with the CTLCV.

**4) Plastic Bag Pollution:**

**Would you support a statewide ban on single-use plastic bags (or a ban/fee hybrid) to significantly reduce plastic bag pollution in our state?**

Yes

**5) Gas Pipeline:**

**Will you support the repeal of the pipeline tax established in 2015?**

Yes

**6) Carbon Pricing:**

**Would you support carbon pricing for Connecticut?**

Yes

**7) Additional Comments:**

I used to be Clerk of the Environment Committee and served two years as a House Member of the Environment Committee where I had a strong pro-Environment voting record. I have also worked hard as a consultant and staffer to elect candidates who share the values of the CTLCV - including but not limited to - Mary Mushinsky, John Hampton, Matt Ritter, Chris Murphy, Phil Miller and Bill Finch.

I am the only Democrat running in a party-dominant Democratic district and I would be very honored to earn your support and work with you on environmental issues at the State Legislature and have enjoyed working with the CTLCV in the past.
